PART IV.

Official Papers.

Season Report for the Week ending 25th August 1888.

District.	Rain-fall at—	Present week.	Corresponding week in last year.	Price of food grains in rupees; and market fluctuations in the prices of food grains.	Market how supplied.	Progress of agricultural operations, state of standing crops, prospects and probable out-turn of the harvests, serious damage done to crops by insects or other natural calamities.	Prospects of season in which the rain-fall has been insufficient; areas affected by scarcity, number of people under relief, and state of food stocks.	Public Health.	Remarks as to the condition of agricultural stock, failure of pasturage or fodder, &c.
Bangalore	Bangalore C. & M. Stn.	I. 67 C. 67	I. 20 C. 20	This week. Past week. Rice 11½ 11½ Ragi 31 32. (Eleusine corocana.)	Satisfactorily.	Standing crops in need of rain generally. Horse-grass, ragi, sugar-cane, paddy, ragi, cow-grass, pigeon pea, &c. were sown. Sugar-cane and paddy harvested in parts.	Prospects of season dependent on future rain-fall which is needed throughout the District.	Generally good.	Water and pasturage procurable. Cattle disease in parts.
